Creative Solutions for the Demands of Life and Work

Balancing the demands of work and life can be challenging. Since 1983, Inova Employee Assistance has offered support for personal, work and family problems. This service is free to covered employees and their household members.

Confidential Counseling

Our short-term counseling services can help you find solutions to problems ranging from family or workplace frustrations to alcohol or drug abuse. Professional counselors define the problem, provide support, and offer guidance and referrals.

Legal Services

Inova Employee Assistance offers a free 30-minute consultation with an in-network attorney and a 25% discount off the attorney's hourly rate if you choose to retain that attorney. Access to wills, advance directives and other legal documents are available on our website at [inova.org/eap](https://www.inova.org/eap).

Financial Services

Employees and their household members can speak with a financial professional at no charge regarding such issues as retirement planning, debt consolidation, funding a child's college education, mortgage loan options and a variety of other financial concerns. Callers receive up to 60 minutes of telephonic consultation per issue. Financial information, tools and calculators are available on our website at [inova.org/eap](https://www.inova.org/eap).

Identity Theft Services

Counselors provide telephonic screening and consultation to callers. If they determine that your identity has been stolen, a "recovery" packet containing everything that you need to resolve your identity-theft issue will be sent to you at no charge.

Work Life Referral Services

Our Work Life consultants will assess your needs, pinpoint appropriate resources, and suggest guidelines for evaluating those resources. We will also follow up to ensure your satisfaction with our service. Our consultants can locate resources in a variety of areas, including:

- Child care and adoption including emergency back-up care, day care providers, nanny and au pair agencies, summer camps, and more

- Elder care such as adult day care, assisted living, home health, nursing homes, transportation services
